The adjustment is necessary to recover an increase in the cost of water attributable to our supplier's new wholesale rates that become effective on or after July 12, 2015. The District is seeking to make this effective with the August 2015 billing for July's usage.

The District will publish the enclosed public notice of these requested rate revision in the local weekly newspaper. In accordance with PSC rules and regulations, the notice will be published before the new bills are issued and will be published one time.

Sincerely,
